Welcome

Dean Watson
HEADTEACHER

Thank you for expressing your interest in Woodhey High School.

Everything we do at Woodhey is underpinned by our two core values: Respect and Excellence. We believe in the importance of respect for all, regardless of background, and the belief and willingness to strive for excellence to ensure everyone can achieve their very best. We want our students to be able to compete with the elite from across the country and be fully prepared for life after school.

Academic excellence is vital to improving the life chances of our students, and we make no apologies for putting this at the heart of all we do. Students are supported to learn challenging knowledge across a range of subjects that will allow them to achieve academic success. However, we understand that school is about more than just lessons and work together as a team to make school enjoyable and bring learning to life through trips, visits, guest speakers and extracurricular activities.

We have high standards and expectations in all that we do, as we know that it is only with such high standards and expectations that true success can be achieved. We are fortunate to benefit from a supportive community of students, school staff and parents and carers who work together to ensure our high standards and expectations are met and provide support where this is needed.

We invite you to be a part of the Woodhey High School community and embark on an educational journey that will shape your future. If you have any questions or would like to visit our campus, please don't hesitate to reach out.

At Woodhey High School our vision is:

To be a centre of excellence, where students, staff and the community are proud to work together to broaden our horizons, exceed our aspirations and where everyone achieves their full potential.

#TeamWoodhey

At Woodhey High School, we have two key values that drive our actions, our choices, and our decisions.

These are:

Respect

We treat everyone as we wish to be treated ourselves; we are all part of the same team **Excellence**

We strive to be the best we can be at all times; nothing but the best is good enough for us

Underpinning our values are two clear expectations.

These are:

Respect every member of staff and student in our community, following all instructions without answering back.

Being excellent by being prepared for and completing all work to the best of our ability without distracting others.

We are a team made up of our staff, our students, our parents and carers, and our wider community. Our vision, values and expectations apply to all of our community.

Teamwork is the secret that makes common people achieve uncommon results (Ifeanyi Enoch Onuoha)
